

Out-n-About phone app (KISS)

Key In Simple Selcall

- See on a map last logged position of selected members.
- Zoom the map, change to Satellite imagery
- View a history of previous GPS positions on the map or list
- Log a GPS Map position to Telcall+ without using the radio
- View and direct quick dial anyone on the Urgent Contact list
- Send a mail box text message from phone to a HF radio mobile in the field. Message forwarded when radio is ready.
- You can view a list of base stations and their available channels.

How to purchase and down load Out-n-About™.

Anyone can purchase the **Out-n-About™** app from Google Play
<https://play.google.com/store/apps/details?id=takethis.outnabout> or

Apple store <https://itunes.apple.com/us/app/out-n-about/id1261855716?ls=1&mt=8>

However because it needs activation numbers it is best to contact Kim Rhodes club member 7880 by email or phone. Ask for the SMS with activation pin numbers and a link to the above. E-Mail:- 7880@westnet.com.au Phone:- 0427983329 Kim. Another easy way to get a link to a store is on your phone go to www.takethis.com.au/out-n-about.

If you email Kim I need your selcall number and the mobile phone number you want the app on so you can receive the SMS for activation. You may need to pay your Telcall+ membership fees. Download and install the application on your phone.

How to activate your Out-n-About™

The first time the application runs it asks for some information.

The application needs to know your radio network name and in this case it is **austravel**. Upper or lower case is OK. Then the app asks for a new user. Put your member ID (i.e. selcall number) into this field.

Then your member PIN as received in the original SMS message for the user or owner of the selcall.

The Out-n-About™ app is now running and set up for you. Have a play or see full operation manual.

How to activate family and friends

Put in selcall and the friend pin number as given to you by other club members.

Important Note:-

Do not give out your MEMBER pin number; it is private for a number of reasons. Only give out your FRIEND pin number to other people who you wish to be able to view your selected information.
